Individual Invoices and Supporting Documentation

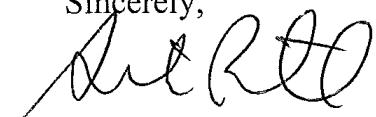

The remainder of this invoice includes the individual invoices of all Team members who submitted invoices for August 2018, as well as receipts for travel, transportation, accommodations, and expenses incurred for website development, establishment of Team e-mail addresses, and food for a community stakeholders meeting.

The City and the Team have agreed that Team members who elect to be compensated for meals and personal expenses incurred while traveling to Baltimore for work on the project will do so at the standard federal per diem rate of \$69, with fractions of days billed at 75% of the standard federal per diem rate, or \$51.75. Some team members have waived or reduced their per diem charges, or elected to receive them only for some but not all days while traveling to and working in Baltimore. This constitutes additional, ongoing savings to the City.

We submit this invoice for approval by the Department of Justice and the City of Baltimore. As previously discussed, we ask both parties to review the invoice and get back to us with any comments or suggested changes within five days. Once we obtain approval of the invoice, we will submit it to Judge James Bredar for his review and approval.

Please feel free to contact me if you have any questions.

Sincerely,

Seth Rosenthal
